Together***

30th Legislative District

How you can reach me

Welcome to the 30th Legislative District

My name is Mark Miloscia, and I'm one of your legislators.

It is an honor and a privilege to represent the 30th Legislative District in the Washington State House of Representatives. Every ten years the district lines change and you now live in the 30th District. As you may know, our district includes Federal Way and Algonia, and parts of Pacific and Des Moines.

I believe in *Working Together* to improve and strengthen our neighborhoods, our schools, and our economic vitality – these are the elements that build our quality of life. And this truly is a team effort.

My #1 priority has been and will continue to be Government Accountability. The only way to build trust in government is to earn trust by making government more efficient and accountable. I'm also terribly concerned about the proposed cuts to the budget and how they will affect our most vulnerable – particularly the developmentally disabled.

Please know that my assistant, Pam Zielinski, and I look forward to hearing from you. We want to hear and read what you have to say about the Legislature, about state government, and about anything else that's on your mind. It's a privilege to work for you here in Olympia. If there's anything I can do for you, please let me know.

Your comments and suggestions are always very welcome!

Please contact me at:

Modular Bldg 1 #112

How I can help you

You're always welcome to contact me, especially if:

■ You have a problem with a state agency.

Don't hesitate to call or write if you're having a difficult time getting an answer from someone or some state office. We'll help find the answers you need to get to the bottom of the question.

■ You have questions or comments about specific legislation.

To represent South King County effectively, I need to know what you think about proposals in the Legislature. Please call or write if you want to know details on a proposed law or issue you've read or heard about. We'll send you a copy of the bill and other information – whatever it takes to answer your question.

■ You have an idea for potential legislation.

Contact my office whenever you have an idea that you think should be a state law – or if you want to abolish an existing law. Ideas from citizens frequently make the most sense!

■ You want to testify on a bill.

If you feel strongly about a bill or issue, please consider testifying before a legislative committee. Legislators need to hear what people think. My office can let you know when hearing dates are scheduled.

■ You just need some help.

If you need a suggestion to help resolve a problem, we'll always do our best to help!
